

Golf Fore Autism

*4 Country Squire Lane
Marlton, NJ 08053*

Since its establishment as a 501(c)(3) Non-Profit Charity in early 2013, Golf Fore Autism has had the goal of providing opportunities to enhance the abilities for all who live under the spectrum of the Autism disorder.

We strive to even the playing field for all special education students and fill the gap in learning caused by decreasing, or insufficient, budgetary funding throughout many school districts in our South Jersey area.

Our main source of funding is the annual golf outing we've hosted over the past six years, and counting. All our efforts are powered by volunteers and families with loved ones on the spectrum, these efforts have generated vital funds which have helped provide much needed educational materials for our Autism and special needs classrooms in the local area.

If you would like more information on how you can join the efforts, and make a difference please visit our website at www.GolfForeAutism.org or email us at GolfForeAutismNJ@gmail.com.

If you are a teacher in one of our many South Jersey school districts, and are in need of learning materials/supplies in your special education classroom, please contact David Anderson via our email address above or at 609-221-5563 to obtain a "Donation Request Form".
